Land Available for Development

Spiritwood Energy Park

The JSDC is focusing efforts on developing the Spiritwood Energy Park. The Spiritwood Energy Park is a 551-acre industrial park located approximately 10 miles east of Jamestown and just south of Spiritwood, ND. Home to the Spiritwood Station and Dakota Spirit AgEnergy, the park has convenient access to rail, interstate, highway, water, wastewater, natural gas, heavy power &

steam. The JSDC is featuring the park in several magazines this fall: Site Selection, Biomass Magazine and Expansion Solutions. There will also be a new billboard going up along I-94.
