### Economic Development Association of ND Supports Small Business Development Centers

Letter from ND Small Business Development to Connie and EDND...

June 24, 2019

On Friday, the Commerce Department informed us that they will provide our statewide program and network the same amount of State-match funding for the 2019 – 2021 state biennium that they have for the 2017 – 2019 state biennium! This is wonderful news and will help to ensure that we do not have to close service centers during the next biennium!

I know that your strong support for ND SBDC during the legislative session, at the EDND Summer Conference and during your meeting last week with the DOC leadership team were an important factor in this outcome. So Thank You Ellen, Shawn, Keith, [Connie](#), Teran, Shannon, Matt, Jennifer, Mason and Dana and THANK YOU [EDND!!!](#)
