JSDC to Assist Employers Participating in ND Career Builders Loan Repayment Program

At their March 9th meeting, the JSDC Board of Directors unanimously approved assisting employers who participate in the ND Career Builders Loan Repayment Program. This new Program is a partnership between business, employees, and the state to incentivize work in high-need and emerging occupations. Employers can utilize this program to recruit and retain talented employees by matching state dollars.

Individual recipients may qualify for up to \$17,000 lifetime under the program which is \$8,500 of private-sector and \$8,500 state funding. JSDC will reimburse 25% of the private-sector funds. For example, if Company Y contributes \$8,500, they would be eligible for \$2,125 of reimbursement from the JSDC program.

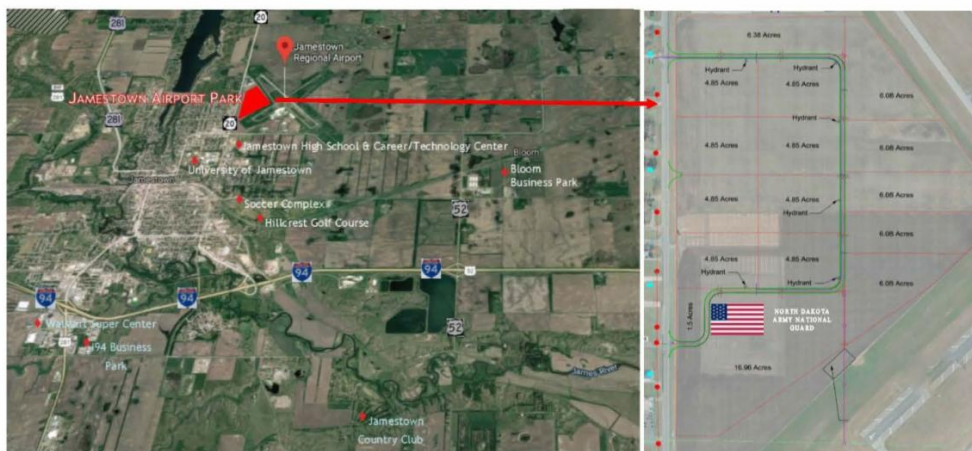

Qualifications

- Individuals newly hired into their current position in 2019 or later
- Individuals who graduated from a qualifying program of study and hold a balance on a non-defaulted student loan
- Individuals who live AND work (in a high-need or emerging occupation) within North Dakota
- Those who have matching private sector dollars

For more information on the ND Career Builders Scholarship & Loan Repayment Program, [click here](#) or give Corry a call at 701.252.6861.
